Topical Awards

Freedom's Frontier National Heritage Area Award (\$50)

The Freedom's Frontier National Heritage Area (<http://www.freedomfrontier.org>) sponsors this award, and it was formerly the Bleeding Kansas Award. It is open to all entries regardless of level or category. It is awarded to the entry that best exemplifies the ideals of shaping the frontier, the Missouri-Kansas Border War, or the enduring struggle for freedom within the heritage area. ***If it is deemed that there is not an entry that meets the criteria, the award will not be awarded.***

Native Sons and Daughters of Greater Kansas City History Award (\$100)

This award is sponsored by the Native Sons and Daughters of Greater Kansas City (<http://www.native-sons.org>). It is open to all entries regardless of geographical origin, level, or category. It is awarded to the best entry dealing with Kansas City-area history. The Kansas City area is defined as Douglas, Franklin, Johnson, Leavenworth, Miami, and Wyandotte Counties in Kansas, and Carroll, Cass, Clay, Jackson, Platte, and Ray counties in Missouri. ***If it is deemed that there is not an entry that meets the criteria, the award will not be awarded.***

Robert Dole Congressional History Prize (\$600)

These awards are sponsored by the Robert Dole Institute of Politics. This prize will be awarded to the top three entries at the Kansas History Day State Contest that include discussion about the United States Congress in their research and presentation. Eligible entries may include those which focus on the history of Congress as an institution, politics or lawmaking from a legislative perspective or actions of individual members or committees of the House of Representatives or Senate. 1st place is \$300 and special recognition at a Dole Institute Event. 2nd place is \$200 and special recognition at a Dole Institute Event. 3rd place is \$100 and special recognition at a Dole Institute Event.

Norman and Karen Conard Award for Diversity (\$100)

This \$100 award is given to the best project showing the importance of tolerance and diversity.

Lowell Milken Center Unsung Hero Award (\$100)

This \$100 award is awarded at the Kansas History Day State Contest to the best entry on an unsung hero. The Lowell Milken Center works with schools around the world to teach respect and understanding among all people, by developing projects about unsung heroes whose actions promote these values, regardless of race, religion and creed.

History Day Recognition and Scholarships

All students participating in Kansas History Day receive statewide recognition and compete for medals, scholarships, and prizes. Medals are awarded to the top three entries in every category. The top two entries in each category receive an invitation to compete at National History Day in College Park, Maryland, on June 11-15, 2017.

The third-place entry in each category also receives information about the National History Day competition. In the event that either the gold or silver medalist(s) in a category is unable to enter the national contest, third-place entries are invited to compete at the National History Day contest. The awarding of third-place is very important. In recent years, third-place winners at Kansas History Day have competed at the national contest, and made it into the finals. The third-place entries also receive statewide recognition in newspapers and are able to highlight their achievement on college applications and resumes.

Special awards and prizes are also available to students whose entries address certain historical topics. These are open to any student with a topical entry, regardless of how that entry places in category competition. This year, topical prizes were available to students with entries in the areas of Kansas City-area history and the history of the Freedom's Frontier National Heritage Area.

National History Day 2018
