**New Rulebook and Judging Evaluation Forms for 2015**

The NHD [Rulebook](#) has been updated for 2015. While most of the changes are an effort to clarify rules, there are some major changes, so teacher, students, and parents are strongly encourage to read the new edition carefully. NHD has produced a summary of the changes. Both the summary and the new rulebook are available on the [KHD website](#). NHD staff also made changes to the [judging evaluation forms](#), which can also be found on the KHD website.

**Vote for the Top 100 Leaders**

Don’t forget to vote for your favorite leaders! You and your students can go online to the [100 Leaders](#) website to vote. Voting is not limited to NHD students, so spread the word to your fellow teachers. Students can also enter the poster contest, and there are curriculum materials for teachers available on the website.

**Improvements Made to the Online Registration**

NHD has made some much desired updates to the contest Online Registration system. Changes include:

- Teachers can see what required registration items students are missing by scrolling on the student name within their teacher account.
- The login screen now features a larger button to create a new username and password.
- Emails must be entered twice to confirm.

**New State Contest Sponsor**

KHDF is pleased to welcome [Attorneys Palmer Leatherman, White & Girard, L.L.P.](#) as sponsors for this year’s state contest.

**Behring Teacher Ambassadors Program**

NHD has started a new program this year, thanks to a grant from the Behrings, to utilize the winners of the affiliate Behring Teachers of the Year Awards as a way to tap-in to their expertise and help spread the word about History Day. Only 28 teachers were selected for the program, and Kansas has 2 of them: Terry Healy in Manhattan and Kyle Johnson in Topeka. Terry and Kyle are contributing by serving as mentors to new teachers, representing the KHD at conferences, helping with efforts to stabilize districts, and offering to assist with workshops.

**Just One Initiative**

In an effort to increase participation by teachers, KHD is undertaking a new initiative: Just One. The idea, courtesy of our BTA Terry Healy, is to have every teacher participating in a District Contest or the State Contest to bring just one new teacher with them to the judge or experience the contest. Those who bring a teacher will receive a 2015 KHD t-shirt.

**KHD Website Updates**

Several updates have been made to the KHD website since July. Many pages that have been listed as being “under construction” since the new site was created now have content. If you would like to serve as a mentor to a new NHD teacher or provide a testimonial for the website, please email Letha Johnson at lethajohnson@att.net.
